The references were cited in an Official Action dated March 3, 2009 received from the Japanese Patent Official. A copy of the Official Action together with a translation thereof is enclosed. The relevance of the above-identified references has been described in the Official Action. Please note that the other reference cited in the Official Action was previously submitted in Applicants' Information Disclosure Statement dated November 29, 2004. Further, the undersigned hereby states that each item of information contained in this Information Disclosure Statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement.

Inasmuch as this Information Disclosure Statement is being submitted in accordance with the schedule set out in 37 C.F.R. § 1.704(d), a statement is attached.
